Spain and Portugal with Italy with Tierra

Enough and more has been said about Italy. Its historical continuum, its art and architecture, the vineyards, its so blue coast and of course its food.

Tierra helps you discover the simple pleasures of classical Italy. Finely paced, interesting and innovative, Tierra will help you discover the very best. Child friendly customizations are very possible!

We are Tierra

Tierra focusses on providing customized itineraries for independent travelers and small groups. We seek to maximize the travel experience by providing micro customization and giving the travelers and the itinerary lots of individual attention. We love interesting travel destinations, innovative activities and interesting places to stay.

We are also there to take care of all the logistics-Visa, Flight, Hotel, Tours, Airport transfers and Travel insurance. Our local representatives provide onsite support in case you need any.
